America's got Talent

Providing you with *EDUCATIONAL ENTERTAINMENT* and a *POSITIVE IMPACT* on *YOUR* community.

The Canine Stars are looking forward to joining you in 2025, with some exciting updates:

#1 Dog Show in social media - We've doubled our Instagram followers in 2024 to 65k, and are nearing 100k followers on TikTok, broadening our reach when we promote our clients' events.

Stupid Pet Tricks with Sarah Silverman - The highest jumping dog in the world, Shazam, performed her jumping stunt and won her episode of Stupid Pet Tricks, which aired in 2024.

America's Got Talent - Producer Simon Cowell called our act "Genius!" and Howie Mandel announced that we were "The best animal act I have ever seen on this show, by far!" Appearing on world-wide television was a huge boost to our fan base, exposing over 10 million viewers to The Canine Stars' unique talents!

Youth Mentorship Program & Stunt Dog School - We've spent the past 5 years working online with over 150 students, ages 12-18, from 16 countries. We've brought in dozens of our talented young dog trainers to perform in front of our audiences; including international students from Hungary and New Zealand - it's a dream come true for them!

LED Outdoor Video Wall - We've upgraded our equipment with a giant 16'x8' video screen to enhance our production value, highlight our TV appearances and create new sponsor messaging opportunities at our shows. Video Wall unit available depending on routing.

And as always, we encourage families to ADOPT their next dog. Our mission is to ***inspire dog owners to build a strong bond*** with their best friend, through dog sports and training, to prevent neglect and cruelty of animals. We strive to reduce the number of homeless pets in the world, and we'd love to ***Make a Difference in your community*** as well.

Here's to an incredible 2025!

WHAT WE DO

“An educational Stunt Dog Show featuring rescued dogs, inspiring compassion for the underdog... anything is possible if you put your heart into it.”

FAMILY EDUTAINMENT

The Canine Stars shows are a phenomenal fun fest of flying fur! Audiences are enthralled with non-stop action, interaction and inspiration. With the loudest cheering across your venue, we generate viral social media sharing of photos, videos, and raving reviews of The Canine Stars at your event.

RESCUE DOGS

America's favorite “breed” is a Rescue! The Canine Stars foundation message is encouraging audiences to adopt from shelters and rescue groups. Our heartfelt rescue stories inspire our fans.

DOCK DIVING DOGS

The world's biggest jumping dogs fly in the sport of Dock Diving, launching over 30 feet into a pool. Besides our two water pools, we invented the world's only Ball Pit Pool for waterless dock diving.

AGILITY DOGS

Dogs navigating through a course of Jumps, Tunnels, Weaves and other obstacles is thrilling to watch and gives our audiences a taste of a fun & challenging sport that any dog can participate in.

DISC DOGS

A dog's favorite game of fetch was turned into an official sport over 40 years ago, with a flying disc. We take “fetch” a step further by incorporating tricks and stunt maneuvers into a freestyle routine.

FREESTYLE DANCING DOGS

Freestyle Dancing tricks are now all the rage thanks to Sara Carson and Hero's rise to fame on America's Got Talent. It's inspiring for aspiring young dog trainers, and mesmerizing to watch!

FLYBALL RACING DOGS

Flyball racing is a fast-paced relay style sport similar to drag racing. It's a perfect outlet for high-energy dogs who love to run and love to play fetch with tennis balls - and a crowd favorite to watch.

MEET & GREETS

FAN PHOTOS & AUTOGRAPHS

Making a lasting impression on our fans by offering after-show time to meet the dogs, ask the trainers questions, and take selfies with the Stars!

Autographs and Trading Cards may be given away, as treasured momentos.

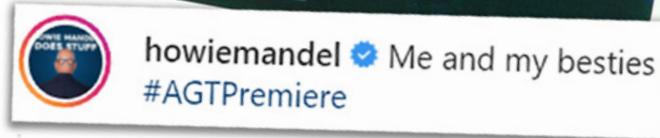

INSPIRING RESCUE STORIES

OPAL "BOW WOwie MANDEL"

Turned in as a stray at the Santa Rosa County Animal Shelter in Florida, Opal was adopted by Keri based on her photo and video alone.

Opal has now starred on **Nickelodeon Unleashed**, has been on several local and national morning shows, and was a hit on **America's Got Talent**.

Howie Mandel even shared his selfie with her on his social media!

POOL CHOICE: WATER POOL -OR- BALL PIT POOL

Our one-of-a-kind inflatable Ball Pit Pool is great for indoor events when you can't use a water-filled pool! The Canine Stars will fly through the air and splash into the pool of balls. Our Ball Pit Pool gets the same big-air excitement and splash of balls when dogs land in the pool, just like a water filled pool.

FEATURED ON AMERICA'S GOT TALENT & NICKELODEON'S UNLEASHED

Our Ball Pit Pool has gone to Hollywood...twice! It was featured in the finale of America's Got Talent with Sara & Hero in 2018, and in 2020 it appeared on Nickelodeon's UNLEASHED - where The Canine Stars won "Most Entertaining" performance.
